Testimonies

beacon of HOPE

"I am in Grade 11 and have been living at Sophia's Home since I was eight. Coming here was not easy, but I now see it as one of God's greatest blessings in my life. After losing my mother and with my father unable to care for us, God provided loving caregivers who helped me encounter Christ. At Sophia's Home, I found a new family where I have grown spiritually, emotionally, and physically. I was baptised and surrendered my life fully to the Lord. I am deeply thankful for the sponsors whose support has given me stability, education, and hope. I trust God to lead me as I continue walking in His will."

“My husband and I had heard of many child sponsorship programmes, but one year we felt God gently leading us to one that later reflected His plans for us in Timor-Leste. There were many reasons for sponsoring a child, but what stood out was the opportunity to support both education and spiritual growth. This led us to sponsor a child through MMS. When we later interned at St Paul Methodist School for 6 months, we saw how sponsored children in the programme were growing and thriving. The SSS support made quality education possible for children from low income families, and gave these students the chance to develop skills, build friendships, and grow in their faith. Their stories reminded us that God provides in many ways and is truly at work.”

“I thank God for His faithful guidance throughout my life. When my family moved to Chiang Mai, a nearby church became a place where I first met God through worship and the Little Lamb Club. Through this church, I received support from the SSS programme, which helped cover my school fees and eased my parents’ financial burden. This encouragement motivated me to study diligently. After graduating, God led me to study theology, and today I am serving as an Assistant Pastor at Shineforth Methodist Church, working with youths. I am deeply grateful for the sponsors who invested in my life. Your generosity helped shape my calling and ministry.”
