

Missionary Development Fund Launch of Rev Dr Clarence Lim Missionary Development Fund

“This fund will provide financial support for MMS’ leadership development among our serving Missionaries, and potential Methodist candidates committed to serving full-time in MMS mission fields.”

MMS launched the Rev Dr Clarence Lim Missionary Development Fund (MDF) during our biennial fundraising “My Father’s Business” Banquet held on 23 August 2015 at The Fullerton Hotel.

The late Rev Dr Clarence Lim was the Founding Director of MMS. He was very much loved and respected by many who had the privilege to know him and to work with him, and have their lives touched by him. He embodied all that we desire of ourselves and

our missionaries, - a truly humble servant of our Lord. With his spirit of determination, perseverance and most importantly his love of God, he established MMS as an effective missions organisation that continues to transform lives in our mission fields and within the Missions community in Singapore. His servant leadership epitomises his Christ-centred approach to relating with people at all levels.

MDF was started with S\$100,000 from a donor who has requested anonymity. He felt driven to recognise and honour the immense contribution of MMS’ Founding Director, who had passed away on 2 October 2014. This fund will provide financial support for MMS’ leadership development among our serving Missionaries, and potential Methodist candidates committed to serving full-time in MMS mission fields.

Serving Missionaries are eligible to apply for recognised, full-time or part-time training courses conducted locally or overseas if they have served at least two years in an MMS mission field, or in MMS Home Office, and are recommended by their Country Director and supported by the Area Director.

Potential candidates intending to serve in MMS mission fields must be active members of a local

Methodist church in Singapore, preferably in mission-related activities and have a character reference and recommendation from their Pastor-in-Charge.

Recognised seminaries and colleges include Trinity Theological College, Singapore Bible College, Asian Cross-Cultural Training and Tung Ling Bible School, while recognised seminars include mission conferences, Global or Eagles Leadership Seminars, and Church Planting programmes such as Growing Healthy Church.
