Testimonies

“The ten short years in Sophia’s Home has transformed me from a shy little girl to a God-fearing and educated young woman. As I work towards fulfilling God’s purpose in my life, I pause to recall my past and reflect on my present. Every moment warms my heart with gratitude for the SSS programme, and the love and generosity of many people that have made me the person I am today and will be tomorrow.”

Rupa Magar, an SSS sponsored child Nepal (2018)

Rupa was eight years old when her father passed away. Her mother kept her in a home but she was uncomfortable and left shortly. So her mother approached Sophia’s Home where Rupa joined in 2008. Now she is 18 years old and graduated from Grade 12 in 2018. She hopes to study Journalism and Literature, and become a Journalist one day.

beacon of hope

“Seven-year-old Rattana’s school supplies and fees are covered by my sponsorship. I believe that when we educate a girl, she is able to make a positive impact in her world. I’m excited to be helping a girl become financially independent. More importantly, she will hear the good news of Jesus Christ and have an opportunity to know how much she is loved by God. I try to write to her on occasions like her birthday and Christmas, to encourage her in her journey and to share a verse from the Bible. Just S\$1.50 a day (for non-residential scheme), you can help a needy child get a well-rounded education!”

Yue-Li Lim, an SSS sponsor of Chhourn Sovann Rattana, a student in the Methodist School of Cambodia (2018)

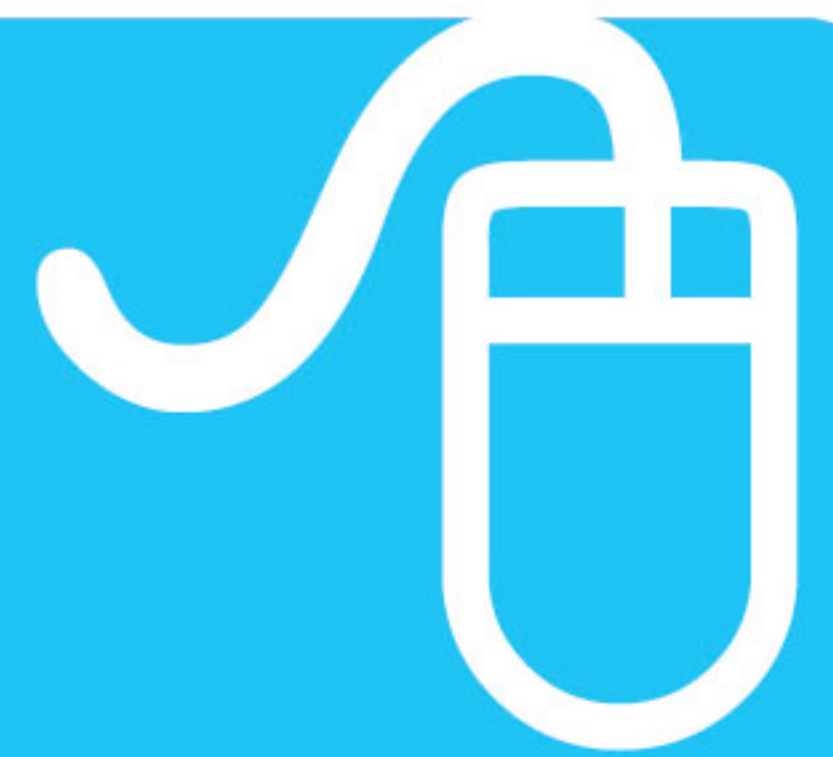

“SSS has given the poor and needy children in Cambodia an opportunity to study and learn life skills to secure a better future. It provides food, clothes, and other necessities for the children. It also opens a chance for them to know God and experience His love. Most of the sponsored children are now teachers, accountants, administrators, marketers, engineers, and some are serving in God’s ministries. I was one of the SSS beneficiaries, and now I serve God in COSI where 71 children are in the SSS programme. I am very thankful because SSS has given me a chance to study to have a better life. Without SSS, I will not be who I am today.”

Eang Chanthin, Manager of COSI (2018)
